

Former Grayling Baseball Player Passed Away

A. Leal Bibbins, aged 59, who at one time spent a couple of seasons in Grayling playing baseball as catcher, passed away at his home in Buffalo, N. Y., last week following a long illness.

"Bib" as he was known to his friends was an idol among the players and the fans alike when he played in Grayling, which was during those good old baseball days. He was attending Michigan State College at that time, from which he graduated with the class of 1915. Even though that was years ago he had still kept in touch with some of the players of that time and others with whom he had made friends, and he also came back once in a while to see them.

In January, 1941 "The Record" official publication of Michigan State College devoted that issue especially to a story about "Bib" and with a very fine likeness of him appearing on its cover. It called him a master executive and America's outstanding seedman and agricultural industrialist, who climbed from instructor of farm crops to the presidency of the C. F. L. M. Co., the largest manufacturer of dairy and poultry feeds in the world, located in Buffalo, N. Y. He was born in Moscow, Michigan, August 18, 1881.

The auditorium of the G. F. L. Co-operative administration in Ithaca, N. Y., one of the many buildings "Bib" had helped to build is named Bibbins Hall as a tribute to him.

Surviving the deceased besides his wife, Mrs. Bibbins, are James and Martin and daughter, Martha. Grayling friends extend their sincere sympathy.

Local Man Injured In Car Accident

His car, a 1937 Buick, was heading east on M 72 and was about 2 1/2 miles from Grayling when the mishap occurred. Mrs. Stephan was shaken up and bruised but not seriously injured.

Mr. Stephan was pinned under the car. Mr. and Mrs. Donald Dick and Clarence Roberts, Russell Wright and Arnold Hubbell came along soon after the accident and freed Mr. Stephan and took him to Mercy Hospital. He is coming along fairly well under the circumstances and expected to be released from the hospital this week.

The Stephan car was reported not to have been too badly damaged. Windows were broken and the gasoline tank punctured.

Sheriff Wm. F. Golinick investigated the accident.

Mrs. Alfred Sorenson, president, conducted a brief business meeting at Shoppingtons Inn, Monday, April 2. Returns from the style show are incomplete.

Mrs. George Francis of Saginaw presented her very own original idea of "A New England Sampler." She has spent a great many years collecting authentic old lamps and with each she showed the true story of some person alive at that time who undoubtedly used that type of lamp. Mrs. Francis had a seemingly inexhaustible repertoire of stories and lamps and the members present it was a most enjoyable program.

Michigan has a grand jury law, name only. All its teeth are according to Attorney General Frank C. Millard.

Lacking today are the right of granting immunity to key witnesses or even the power of subpoena to require their appearance. These handicaps apply to both the 3-man grand jury and to the three-man grand jury which replaced the old one-man grand jury plan.

Millard does not favor restoration of the one-man grand jury system unless new safeguards are added. The State Bar of Michigan has recommended several important changes.

It will be disturbing to many citizens to learn from Michigan's chief law-enforcement officer that Michigan's grand jury law is weak and ineffective—and hence wide open invitation for graft and corruption.

The commission did, however, waver from its usual course of opposing state departments apart from throwing bouquets at the state.

The entire county vote compared with the 500 ballots of the 1947 Spring Election but came no where near the total of 900 cast in the 1949 Spring Election. Interest in the City of Grayling as well as the townships seemed to be at a low ebb.

The three proposed amendments to the State Constitution received approval from the Crawford County voters with one and two receiving about two to one majorities but proposal number three had only 154 yes votes to a 132 no vote. This received a 232 yes vote to a 95 no vote. Proposal three was to allow the salaries of Supreme Court Justices to be increased after election or appointment in order that all Justices serving concurrently would receive the same salary.

Roscoe O. Bonisteel and Leland I. Doan running on the Republican ticket for Regents of the University of Michigan ran about 50 votes ahead of their Democratic opponents Murray D. Akers and Frederick H. Mueller running for re-election as Members of the State Board of Agriculture on the Republican ticket were nearly two to one ahead of their Democratic opponents, Mrs. Raymond W. Starr and Hiram A. Sackett.

In one of the two township ballot battles in the County, Maple Forest, Supervisor Roy Papenfus running on the People's Ticket defeated Clyde Smith 33 to 28. Martha Peterson was renamed as clerk, Pearl M. Babbitt as treasurer, Harold Babbitt highway commissioner, George E. Howse and Arnold Plagens Justices of the Peace and Ernest Winston constable.

The other township election battle was in Beaver Creek where former Supervisor Frank Millikin defeated the Republican incumbent Ivan Billman by a three vote majority. Republican township clerk Robert Ferguson was returned to office as was Democratic treasurer Andie Nelson. Reeves Shook was elected as Justice of the Peace running on the Republican ticket as was Herbert Ferguson as Constable in 25-4 and Cecil Canfield as Member of the Board of Review. John Canfield, Jr., running for Constable in 19-9 on the Democratic ticket was elected.

Where The Blame Belongs

Who do you blame for inflation?

Ask a hundred people that question and you'll get a bewildering array of answers. Some blame the manufacturers, on the theory that they are holding us up to a farethwell. Some say that the retailer is the modern Jesse James, lacking only the horse and the six-shooter. Others pick labor, the farmer, and various groups as the goat.

This is a free country and we're all entitled to our opinions. But the fact is that the people most of us blame for inflation are among its victims. The manufacturer and the retailer, for instance, must operate in intense competition, and their profits, believe it or not, amount to a very small part of the consumer dollar. Labor and the farmer, like everyone else, may have been guilty of excesses—but they too are in tough daily contact with the high cost of living problem, and they naturally protect themselves as best they can.

Then, who is really to blame?

A full answer to that would require a lot of big books. But an inkling of it is found in succinct form in one of Henry Hazlitt's recent Newsweek columns. Mr. Hazlitt dwelt with the government's past and current monetary policies, and at the end he wrote, "The inflation, in brief, has been government-created. And the alleged remedy of price-and-wage control . . . is completely spurious. If the volume of money and bank credit were prevented from expanding, price control would be unnecessary. But as long as money and bank credit are being substantially increased in relation to the volume of goods, price control will continue to be worse than futile; for it distorts and disrupts production at the same time as it destroys economic freedom."

There is the gist of it. The real underminer of the dollar is the U. S. Treasury and those who make Treasury policy. So, next time you get annoyed by high prices, don't damn the storekeeper or any other innocent bystander. Put the blame where it belongs.

Give Choice "E" Bond Plan

President Truman has signed into law a bill approved by the U. S. Senate and the House in Congress in giving unanimous approval to the Treasury's plan for handling maturing Series E Bonds beginning May 1, 1951. This is important news to all Americans in this time of emergency.

Under this plan, the holder will have the choice of:

- (1) accepting cash, if so desires Bonds are cashable at any time; or
- (2) continuing to hold his present bond, with an automatic interest-bearing extension. Owners who exercise this extension privilege will receive 2 1/2 percent simple interest for all or any part of the next 7 1/2 years; interest during the final 2 1/2 years of the extension will bring the total interest to 2 1/2 percent compounded; or
- (3) exchange his matured bond

Laboratory services	542.00

BLUE SHIELD MEDICAL-SURGICAL PLAN pays liberal amounts for stated surgical procedures—pays toward your doctor's visits to the hospital, in non-surgical cases. It's worth many times the low cost of these plans, just to know substantial payments will be made toward your doctor's bills!

MRS. JAMES EARL YOCKEY

St. Bernard church was the scene of the wedding March 26 which united in marriage Betty Jane Knudson, daughter of Mr. and Mrs. Wesley C. Burgess of Grayling, and James Earl Yockey, son of Mr. and Mrs. Claude H. Yockey, South Shore drive.

The Rev. Henry DuRusell performed the ceremony and officiated at the nuptial high mass. Preceding the ceremony William McGurn sang Malotte's "Our Father". During the offertory of the mass he sang Cherubini's "Veni Jesu, and at the communion Shubert's Ave Maria. The mass was the Missa Brevis by Montani.

The bride was given in marriage by her father. She wore a gown of ice blue Chantilly lace and satan over matching taffeta. The fitted bodice had a satan Peter Pan collar and belt, and tiny satin-covered buttons to the waist. The ballerina length lace skirt was accordinian pleated. Betty

Jane's shoulder length illusion veil fell from a satin cloche and she carried an orchid on a white prayer book.

Dolores Cone of Detroit, maid of honor, wore egg shell nylon net over taffeta. Her gown was accented by a satin collar and belt and her skirt was also accordinian pleated. Her halo headpiece of spring flowers matched the small bouquet she carried.

Jim was attended by his brother, William Yockey. The guests were seated by John H. Lappan.

For her daughter's wedding Mrs. Burgess chose a Kelly green and black silk print with a short linen jacket. Her hat was of black straw and was trimmed with green and white roses. Mrs. Yockey wore navy and white silk print with a navy duster coat. Her hat was navy and white straw. Both mothers wore gardenia corsages.

Following the ceremony a wed-

ding breakfast was served at the Grove.

When the couple left for a four-week wedding trip to Florida, the new Mrs. Yockey was wearing a toast colored gabardine suit with

matching hat and brown accessories. A white wool topper completed her costume. When they return Mr. and Mrs. Yockey will make their home at 901 N. Second in Alpena.

STATE OF MICHIGAN,
In the Circuit Court for the County of Crawford
In Chancery.

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Crawford, in Chancery:

John B. Martin, Jr., Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the taxes for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated, January 26, 1951.

JOHN B. MARTIN, JR.,
Auditor General of the State of Michigan,
for and in behalf of said State.
